This Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary conflicts in any way with the Summary Plan Description (SPD), the SPD shall prevail. It is recommended that you review your SPD for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

## MEDICAL EXCLUSIONS

It is recommended that you review your SPD for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

### Alternative Treatments

Aromatherapy; hypnosis; massage therapy; rolfing; art, music, dance, horseback therapy; and other forms of alternative treatment, as defined by the National Center for Complementary and Alternative Medicine (NCCAM) of the National Institutes of Health. This exclusion does not apply to Chiropractic Treatment and osteopathic care for which Benefits are provided as described in the SPD.

### Dental

Dental care (which includes dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia). This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services - Accident Only in the SPD. This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Policy, limited to: Transplant preparation; prior to initiation of immunosuppressive drugs; the direct treatment of cancer or cleft palate. Dental care that is required to treat the effects of a medical condition, but that is not necessary to directly treat the medical condition, is excluded. Examples include treatment of dental caries resulting from dry mouth after radiation treatment or as a result of medication. Endodontics, periodontal surgery and restorative treatment are excluded. Preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include: extraction, restoration, and replacement of teeth; medical or surgical treatment of dental conditions; and services to improve dental clinical outcomes. This exclusion does not apply to accidental-related dental services for which Benefits are provided as described under Dental Services - Accidental Only in the SPD. Dental implants, bone grafts and other implant-related procedures. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services - Accident Only in the SPD. Dental braces (orthodontics). Treatment of congenitally missing, malpositioned, or supernumerary teeth, even if part of a Congenital Anomaly.

### Devices, Appliances and Prosthetics

Devices used specifically as safety items or to affect performance in sports-related activities. Orthotic appliances that straighten or re-shape a body part. Examples include foot orthotics, cranial banding and some types of braces, including over-the-counter orthotic braces. The following items are excluded, even if prescribed by a Physician: blood pressure cuff/monitor; enuresis alarm; home coagulation testing equipment; non-wearable external defibrillator; trusses; ultrasonic nebulizers; and ventricular assist devices. Devices and computers to assist in communication and speech except for speech aid prosthetics and tracheo-esophageal voice prosthetics. Oral appliances for snoring. ### Drugs

Coverage provided by Express Scripts

Customer Service Phone Number: (888) 806-4969

### Experimental, Investigational or Unproven Services

Experimental or Investigational and Unproven Services and all services related to Experimental or Investigational and Unproven Services are excluded, except Benefits provided for clinical trials for cancer and for Experimental or Investigational Services and Unproven Services as defined under Section 9: Defined Terms and except that coverage which is provided for an FDA-approved drug prescribed for a use that is different from the use for which the FDA approved it, when needed for treatment of a chronic and seriously debilitating or life-threatening condition. The drug must appear on the Formulary List, if applicable. The drug must be recognized for treatment of the condition for which the drug is being prescribed in one of the following established reference compendia: (1) U.S. Pharmacopoeia Dispensing Information; (2) American Medical Association's Drug Evaluation; or (3) American Hospital Formulary Service Drug Information, or it is recommended by two clinical studies or review articles in major peer reviewed professional journals. However, there is no coverage for any drug that the FDA or a major peer reviewed medical journal has determined to be contraindicated for the specific treatment for which the drug has been prescribed. The fact that an Experimental or Investigational or Unproven Service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in Benefits if the procedure is considered to be Experimental or Investigational or Unproven in the treatment of that particular condition. This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in the SPD.
