

## Provider Search Website

[www.myuhc.com](http://www.myuhc.com)

PPO, HSA, Navigate Plus

- Step 1 - Click on Find Physician, Laboratory or Facility (on right under Links and Tools)
- Step 2 – Choose a type of plan – (Click on All UnitedHealthcare Plans)
- Step 3 – Click on the applicable network (Choice Plus or Navigate Plus)
- Step 4 - Enter your 5 digit zip code or city & state
- Step 5 – Click on the appropriate box to find the provider type you’re looking for
- Step 6 – Follow the steps after clicking on the provider type

*If you are enrolling in a Navigate Plus plan, you will need to select a primary care physician (PCP) at the time of enrollment. Please indicate the Primary Care Physician's name and 10 digit enrollment #. If you do not select a PCP during enrollment, a PCP in their geographic area who is accepting new patients will be assigned to you.*
